## Description

This exquisite 19th-century Christmas pyramid is a rare and remarkable piece of German folk art. Entirely handcrafted and beautifully painted, it measures 128 cm in height. Equipped with 12 candle holders, it offers a superb play of light once the candles have been arranged, creating a fairy-tale spectacle.The blades are made of steel and the pyramid is adorned with antique glass, revealing the authentic nuances of time. Although it shows some signs of use, these only add to its charm and history, given its age. Please note that it no longer rotates and is now a decorative object.Dimensions:Height: 128 cmWidth x Depth: 67 x 67 cmAn exceptional historical piece that adds a touch of tradition and elegance to any collection or holiday decoration.
