## Description

Elegant antique solid wood high buffet - Western regional workCharming solid wood High Buffet, featuring a beautiful warm and authentic patina. This piece of furniture features two drawers in the belt above two doors opening onto a generous storage space.The front is richly decorated with discreet moldings and carvings, showcasing meticulous craftsmanship. Finely crafted metal handles and escutcheons add an extra touch of elegance. The door panels are delicately scalloped, typical of regional furniture with character..Resting on curved legs and featuring a cut-out bottom rail, this sideboard combines sturdiness and refinement. Its sober, well-balanced lines make it equally at home in a classic interior or in a more contemporary decor in search of authenticity. This sideboard is the
