Description

Secrétaire Napoléon III in marquetry, marble and gilt bronzeExceptional Napoleon III period secretary dating from the late 19th century, illustrating with refinement all the savoir-faire and opulence of French decorative arts.This elegant piece is richly adorned with a geometric marquetry veneer, creating beautiful visual depth and a remarkable decorative rhythm throughout. The piece is further enhanced by fine gilded bronze trim, which emphasizes its architectural lines and provides a luxurious contrast with the warm tones of the wood.The upper section opens onto a carefully arranged interior of several compartments and drawers, originally designed for writing, document storage and personal effects. This interior layout reflects all the essence of the true folding secretary, combining
