### Description

A pair of Austrian-made wall sconces, crafted from wrought iron and adorned with crystal pendants. The structure, with its flowing and elegant lines, is finished with a golden patina that enhances the decorative richness of the piece. Each element consists of multiple candle arms with shaped plates, embellished with drops and festoons of cut crystal that capture and reflect light, creating a refined and dramatic lighting effect. Ideal for classic or eclectic settings, these wall sconces strike a perfect balance between lighting function and decorative value. In good overall condition, with slight signs of wear consistent with the era.
