Description

A stunning sculptural bronze vase, crafted in the Art Nouveau style, featuring a refined female figure with sinuous, flowing lines. The composition is highly decorative, with a play of fluid and dynamic volumes that evoke early 20th-century Art Nouveau designs. The details of the face and drapery are particularly well-executed, lending expressiveness and movement to the piece. The patina, with pleasant burnished tones and light oxidation, further enhances the piece's authentic character. An object with great visual impact, ideal as a decorative piece or collector's item. Dimensions: Height 37 cm Width 17 cm
