Description

Elegant solid silver centerpiece including a planter and matching centerpiece. The planter, octagonal in shape with cut sides rests on a stepped base with sober, geometric lines. Its decor, based entirely on a play of tiers and moldings, perfectly illustrates the Art Deco aesthetic, favoring purity of line and architectural rigor. It comes with a removable metal interior, allowing functional use for floral arrangements. The table top, in the same octagonal design, features a mirrored top framed by a solid silver border. It rests on an oak base, visible on the reverse, ensuring stability and quality craftsmanship. The overall effect is one of depth and light, with the mirror magnifying the piece on display. This model, both decorative and utilitarian, testifies
