Description

Rosewood bookcase with rosewood inlays. The structure features a projecting central section, a glass-paned side panel with two-part panels, a central door, and turned columns at the corners that extend down to the base, which consists of a central door and side doors. The cornice features finials at the columns and gilded bronze neoclassical-style accents. Turned legs, maple interior. Missing parts. Italy, mid-19th century. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the description takes precedence.
