Description

COD 11550A pair of German wall lights from the early 20th century. Beautifully sized and decorated in bronze, brass, enameled ceramic, and gilded chiseled metal. Each wall lamps features two lights, finely adorned with flowers and ceramic sculptures depicting folk characters and animals (see photo), with no cracks or missing parts. These are high-quality, hard-to-find items for antique dealers, interior decorators, and collectors. The wall lights are electrified; the electrical circuit needs to be revised before installing them in your home. These elegant pieces are in good condition.As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation.
