Elegant Charles X / Restoration / Louis Philippe period boat bed in beautifully grained walnut burr. This model is distinguished by its characteristic curved lines, with scrolled chevets forming a harmonious, enveloping silhouette. The uprights feature beautiful workmanship, highlighting highly decorative wood designs. The bed rests on lightly molded plinth legs, with a sober structure that highlights the richness of the wood. Presence of a higher bedside cabinet on the headboard side and a lower footboard, typical of the "boat" shape. The deep, contrasting graining of the burl brings a great deal of warmth and elegance.
