Description

Contemporary Turkish wool rug, figurative dinosaur design, 347 x 255 cmLarge, hand-knotted contemporary Turkish rug featuring a spectacular dinosaur motif on a warm terracotta background. This singular piece combines humor, textile craftsmanship and visual storytelling in a strong, original decorative composition.Made from wool, this rug is distinguished by its large figurative central motif, surrounded by stylized animals and a finely crafted decorative border. The ensemble creates a scene that is both playful and graphic, while retaining the quality of execution characteristic of traditional Turkish weaving.Its palette of terracotta orange, beige, deep navy blue, cream and light gold gives it a warm presence and strong visual impact. This rug will suit a large living room, a creative interior, a
