Description

COD 11553 Flemish painting from the mid-20th century. Oil on board artwork depicting a seascape with boats and figures, well-executed. The painting unfolds horizontally, with pleasing perspective and good depth, and is rich in decorative elements. In the center, numerous boats struggle to navigate the choppy sea. On the sides, we find various buildings and figures at work. The carved and gilded wooden frame shows some signs of age (see photo). A beautifully sized and proportioned artwork, it would easily fit into any space in the home. Overall, the painting is in good condition. Internal dimensions: H 38.5 x W 63 cm. As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation. Visit our website www.parino.it,
