Description

We present this highly original series of three boxed volumes, written by Doctor Besançon and humorous illustrations by DEBOUT born in 1905 and deceased at age 71 in 1976. The publisher André SAURET published in 1966 (60 years old anyway). Volume N°1 les jours de l'homme, Volume N°2 le visage de la femme, Volume N°3 ne pas dételer. These writings are by Docteur Besançon printed in Switzerland by Jean Robert DELAHAUT. 170 superb humorous drawings, for me the real value lies especially with the drawings by DEBOUT. Note a snag on the binding of the book le visage de la femme. Set as new. Set weight 3 kg Port extra (E26)
