4 800 EUR

Period : 19th century

Condition : A restaurer

Material : Stucco

Width : 1 m 43

Height : 2 m 23 cm

Description

An important and spectacular Napoleon III period mirror, with very large dimensions (223 cm x 143 cm), ideal for decorating a château, private mansion or residence of character. This model is distinguished by its rich molded stucco and gilded decoration, finely worked in a highly ornate 19th century style. It is topped by an imposing central mascaron featuring a bearded face, framed by scrolls, shells and vegetal motifs, offering a strong decorative presence. Condition: Mirror to be restored. Worn gilding, missing stucco and alterations in places. Mirror base pitted and oxidized (see photos). However, structurally sound and fully restorable. Dimensions: Height: 223 cm Width: 143 cm Very fine decorative piece, ideal for a restoration project or for an authentic atmosphere with original patina. Possibility of
