Description

Superb solid silver centerpiece, minerve hallmark, large 19th century model. Extremely large, offering a remarkable presence at the center of a table. Oval shape, richly decorated with finely chased rocaille scrolls, foliage, flowers and shells in the taste of the Louis XV style. Scrolled rim rests on small elegant feet, giving it lightness and refinement. Bottom lined with a mirror, perfect for reflecting light and sublimating a table composition (decanters, glassware, floral centerpiece...). Visible hallmark attesting to 1838 minerve sterling silver, 19th-century French work. Very fine overall condition, with a charming antique patina. A spectacular and decorative piece.
