Description

Elegant Empire-style bronze chandelier, adorned with rich openwork motifs and garlands of crystal tassels. The upper part features a cylindrical drop composed of rows of crystal beads, bringing finesse and verticality to the whole. The finely crafted central crown is decorated with plant motifs and supports a frieze of cut pendants, ending in an elegant lower bowl. This luminaire diffuses a soft, sparkling light, ideal for sublimating a classic, Haussmann or contemporary interior. Early 20th century work, of fine quality. Materials: bronze, crystal Era: early 20th century Dimensions: Height: 145 cm Diameter: 52 cm Condition: Very good overall condition. Light wear consistent with age. Electricity to be checked according to use. Additional information: Secure shipping
