Description

Superb and highly original sculpture "Putti training a tortoise" by Charlotte Monginot (1872-1962), published by Charles Louchet orfèvre. An unusual subject for this very fine sculpture, as is all Charlotte Monginot's work. The quality and finesse are striking. This young Putti is training a tortoise like a horse. The quality of the bronze is also explained by the quality of the casting, edited by Charles Louchet. Piece signed on the terrace "CH. Monginot" and "CH. Louchet orfèvre" 16.5 cm high, in perfect condition, circa 1900. Sublime art-nouveau bronze, illustrious double signature, little gem.
