

Art Deco Lamp In Silver-plated Bronze, Signed

450 EUR

Period : 20th century

Condition : Bon état

Material : Bronze

Description

Beautiful Art Deco lamp in silvered bronze, sober and elegant. It bears a signature on the heel that I have not identified. Maybe "C. Terrers, Lyon"? It's in good condition, some wear marks, small bumps and scratches. It is functional, the electricals redone. Height below
