

Napoleon III Bronze Hand Mirror

150 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 29.5 cm

Width : 15 cm

Description

A hand-faced mirror like an opera set with draperies, caryatids, cherubs, mascarons and other ornamentation, it would be hard to get more Napoleon III than this little mirror. The mirror is mercury and shows, of course, some signs of fatigue due to its age. Shipping in France and internationally, contact me for terms .
