Description

Art Deco period pedestal table in light burr-Louis XV inspiration - work in the taste of André Arbus. Charming round-shaped side table, resting on four curved legs in the Louis XV taste. The top is decorated with an elegant burr in radiant curling, highlighting the warm nuances of the wood and creating a rosette effect in the center. The waistband is embellished with a moving cutout in a scalloped pattern, bringing lightness and refinement to the ensemble. The slender, slender cambered legs reinforce the furniture's elegance and 18th-century inspiration. The burl offers a beautiful decorative effect, typical of productions from the 1920s-1930s.
