Description

Pair of earthenware medicine flasks - "Aqua Vitae" design - H. 32 cm Elegant pair of earthenware medicine flasks with blue decoration on a white background, inscribed "Aqua Vitae" (eau-de-vie), typical of old apothecary containers.

Both pieces feature stylized plant decoration framing a central cartouche, treated in a beautiful cameo of blues. The side handles and elongated neck reinforce the classic silhouette of these medicinal gourds. 20th century work in the taste of early productions (Renaissance / Delft / Rouen inspiration), very decorative. Dimensions : Height : 32 cm Condition : Good overall condition. Presence of a network of enamel cracks (visible on one of the pieces), some wear, stains and slight imperfections. Very fine decorative presence, ideal for a kitchen, an
