Description

COD 11432Italian chest of drawers from the first half of the 20th century. A curved furniture, crafted from finely carved, lacquered, and gilded wood with four lateral caryatids. The commode features three spacious drawers and a built-in marble top of excellent size and quality. A fabulously decorated dresser, ideal for an important living room or bedroom, it's a must-have for antique dealers and interior decorators.This hard-to-find chest of drawers is structurally sound and solid, yet heavy. The drawers and frame are adorned with finely chiseled relief decorations (see photo). In good condition.As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation. Visit our website www.parino.it, free shipping
