Description

Oil on canvas - female nude scene with guitar - 20th century - 70 x 82 cm Interesting oil on canvas depicting an intimate scene of three nude female figures in an interior, accompanied by a guitar on the floor. The composition, with its warm, muted tones, evokes an atmosphere that is both sensual and meditative. The treatment of the bodies, with their supple, slightly stylized lines, and the palette dominated by browns, ochres and greens, recall certain influences of twentieth-century modern painting, in the spirit of the School of Paris or post-war figuration. The work stands out for its free, expressive drawing, with visible material work and a patina of time that reinforces its character. Presented in a gilded wooden frame. Dimensions : Height : 70 cm Width : 82 cm Condition : Used condition.
