Description

Pair of fine Porcelain plates - Decor rural scenes, J.P.L France, early 20th centuryCharming pair of fine Porcelain plates with polychrome decor depicting scenes of rural life.Each plate is adorned with a different decoration, treated with finesse in a naive, country spirit:- a washerwoman by the water,- a young shepherd accompanied by his cow in front of a country house.The landscapes are rendered in soft, harmonious tones, with delicate gradient background work, typical of early twentieth-century French productions.Marked on reverse J.P.L France.Diameter: approx. 29 cmEra: early 20th centuryCondition:Good overall condition. Slight traces of use and minor wear to the decoration, with no cracks or restoration.A beautiful decorative pair, ideal as wall hangings
