

French Vintage 2 Ct Emerald And Diamond Long Earrings In 18k White Gold

3 100 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

Emerald diamond long earrings in 18 karats white gold. A pair of delicate, long earrings, each adorned with a brilliant-cut diamond, holding a thin white gold chain ending in a claw-set emerald (1.06 ct and 0.96 ct each). The emeralds are likely from Colombia. The post is secured by an Alpa safety clutch. Vintage earrings, circa 2000, France. Eagle's head hallmark and goldsmith's mark. Estimated emerald weight: 1.06 ct and 0.96 ct - Treatment: oiling - Supposed origin: Colombia. Estimated diamond weight: 0.16 ct. Length 4.2 cm. Condition: usage scratches, natural inclusions. Weight: 4 gr. *The antique case is not sold with the jewelry* The gemstones are appraised by our gemologist, a graduate of the National Institute of Gemology in Paris; the jewelry comes with its certificate.
