

18th Century Silver Snuffbox

450 EUR

Period : 18th century

Condition : Bon état

Material : Sterling silver

Description

Oval silver snuffbox from the XVIIIth century. It features a central motif representing a quiver with arrows and a heart from which flames emerge, thus representing love. On the reverse and on the sides there is a pretty floral motif included in a radiant decoration. The vermeil interior has three hallmarks and there is also 1 on the lid. These are XVIIIth century hallmarks to be identified. 6,7 X 3,5cmH: 2,5cm Good condition.
