Signature : Luigi Crisconio (Naples, 1893 - Portici, 1946)

Period : 20th century

Condition : Bon état

Material : Paper

Length : 37

Width : 31

Description

This delicate pencil portrait is the work of the eminent Neapolitan painter Luigi Crisconio. The drawing is striking for its simplicity and expressive power. The crisp, essential lines capture not only the model's physical likeness but also a certain psychological depth, typical of the artist's introspective realism.The drawing is in excellent overall condition. The paper shows natural signs of aging that do not affect the work. The frame shows signs of wear consistent with its age.
