### Description

Very fine large cut-crystal water pitcher, very fine quality, 20th-century European work in the style of the great Baccarat, Nachtmann or Rogaska crystal makers. Beautifully slender body, faceted and bladed decoration on the bottom, polished base, applied sculpted handle and well-designed gutter neck. Luminous crystal, thick, heavy and very bright, with beautiful optical effects under light. High-end crystal production model from the 1970s-2000s. 28cm high, 19cm deep with handle, max diameter 12cm. Excellent condition, no noticeable chips or scratches. Weight approx. 1-1,500kg.
