

Didactic Poster Full Of Organs From 1908

325 EUR

Period : 20th century

Condition : Bon état

Material : Other

Width : 66 cm

Height : 89 cm

Description

There were no screens, students had to be able to visualize what they were studying. Magnificent teaching poster from 1908. My research took me as far as Denmark. Denmark... Go and have a look too... This magnificent, uncommon poster shows its age but remains in perfect condition. (89x66)
