Description

Small cabinet with two doors opening onto two rows of three drawers and one large drawer, the sides of which are decorated with stylized landscapes. Decor in imitation of Chinese lacquer, probably made in England using the French Martin varnish technique as it shows inconsistencies with authentic Chinese work. Fine gilded and chased copper hinges. Eighteenth-century English work in "used condition" as the sale catalogues say,. The base is modern and uninteresting. With its key. Price: 2.300EUR, delivery to be agreed
