Description

A delightful sculpture depicting a young woman raising a goblet, supported by the arms of a male figure dressed as Pierrot. Signed "L. de Luca" on the base. This work perfectly illustrates the theatrical aesthetic of Italian decorative sculpture from the interwar period. The bronze casting is of fine quality, featuring expressive drapery and a dynamic composition. The base on which the sculpture rests is original, made of Portoro marble with rounded corners.Condition: good, with slight wear consistent with its age.
