Description

Hand-painted porcelain plate - "Liebesfrühling," signed by Friedrich Paul Thumann (1834-1908) An elegant porcelain plate in the Romantic style, finely hand-painted, depicting a delicate romantic scene between two young people set against a natural landscape. The piece stands out for its pictorial quality, soft and luminous tones, and attention to detail in the drapery and facial expressions. On the reverse side is the inscription "Liebesfrühling" (Spring of Love), accompanied by the signature "P. Thumann," indicating the subject and likely the artist or decorator. The composition evokes the sentimental painting of the late 19th / early 20th century, with clear references to the European academic tradition (KPM manufacture?).
