Description

Mahogany and marble Empire pedestal table - 19th century
Elegant Empire period pedestal table, resting on a tripod base of solid mahogany and flame mahogany veneer, of very fine quality. The central columnar shaft, sober and powerful, is belted at its base with a gilded bronze ring, characteristic of the Empire style. The circular top in white-veined grey marble, with its rich natural nuances, provides a refined contrast with the warmth of the wood. The whole presents a balanced line and a beautiful presence. Nineteenth-century French work, in the taste of Consulat / Empire productions. Dimensions: Height: 73 cm Diameter: 82 cm Very good overall condition,
