Description

Lacquered wood daybed circa 1800. The uprights have detached columns, various carvings such as filleted flutes, small rosettes, water-leaf frieze. At the top, small ball-shaped ornaments reminiscent of G.JACOB productions. The lacquer is Trianon green. Upholstery and fabric to be redone, mattress missing. Assembled with lag bolts and pegs as in the 18th century. I think this is quite a rare piece on the market. H 102 x W 194 x D 92 cmH seat base 44
