Description

Magnificent, richly carved antique cabinet from the former Dutch East Indies, dating from the 19th century (circa 1880-1890). This highly decorative piece of furniture features finely carved floral panels, paneled doors and elegant twisted legs with braces, testifying to the refinement of colonial craftsmanship. This cabinet, with its compact and charming dimensions, displays a warm original patina and is in very good condition, with light marks of use and age, normal for its period. Dimensions: Width: 113 cm Depth: 55 cm Height: 167 cm An authentic and striking centerpiece of 19th-century colonial style, this cabinet will bring character and historic charm to both classic and contemporary interiors.
