Description

An impressive and highly decorative antique Chinese display case, dating from the late 19th or early 20th century. This imposing open display case combines strong architectural lines with traditional craftsmanship and will become a striking centerpiece in any interior.Finished in deep black lacquer on the outside, the cabinet opens onto a bright red lacquered interior, a classic and highly sought-after color combination often associated with Chinese furniture. Red was traditionally used not only for decorative purposes, but also as a symbol of prosperity, luck and protection.The display case is arranged in 10 spacious compartments, offering excellent storage and presentation possibilities. Ideal for books, ceramics, sculptures, antiques, textiles, collectibles or in-store display. Its sleek,
