Description

Brutalist coffee table in solid elm and vintage Maison Regain 1970 Céram stoneware top. Each tile is different, but assembled side by side, they form a harmonious and unique whole. A piece of character to place in your living room to create a warm, welcoming atmosphere. Crossed half-wood assembly, traditional joinery quality French publisher from the 60s to the 80s, Maison REGAIN stands for artisanal excellence. Rather than centralize production in a soulless factory, the house had its pieces made in different workshops across France, ensuring it worked with the best cabinetmakers in each specialty.Length 120 cm. Width 57 cm Height 35 cm
