

Large Portrait Of A Lady Of Quality, 17th Century France.

780 EUR

Period : 17th century

Condition : Bon état

Material : Oil painting

Width : 61,5 cms

Height : 75,5 cms

Description

Large portrait of a young, pretty and smiling lady of quality, set in an oval shape, with long curly hair held back by an embroidered ribbon and adorned with a string of pearls at the back.

Another strand of large pearls hangs from his neck. The dress is rebrodee, with crevices on the sleeves, revealing a white pleated fabric. The top of the bodice is held by a square jewel, trimmed with stones and 3 large drop pearls. Beautiful ensemble, set against a dark background
