Description

Superb chasing and mercury gilding for this large Empire period clock depicting Urania, the Muse of astronomy. On an ornate base adorned with scientific cherubs in the neoclassical style, with Uranie on one side and an astrolabe on the other. Ornamentation of books below the dial. This clock is dedicated to knowledge, science and astronomy. The dial is in silvered bronze. The wire-winding movement works. The original mercury gilding is sublime, with mattes and brilliants. This is a very high quality, highly decorative piece. Empire period, circa 1815. Delivery by carrier, 80 euros in France, 150 euros in the EU and 300 euros in the rest of the world.
