### Description

Oil on canvas. Northern Italian school, 17th century. The large scene is animated by numerous intertwining figures: in the center, illuminated by the beam of light coming from above, Mary with the baby Jesus in her arms, watched over by St. Joseph on the right; on the left, the three wise men, bearing their gifts in rich caskets, and their entire entourage, along with the angels watching from above. A curious detail is the two little angels at the bottom, preparing the manger to welcome the baby Jesus. The painting has been restored and relined in the past. Frame in period style. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
