Description

Beautifully preserved two-seater Dezza sofa. Originally designed in 1965 by legendary Italian architect and designer Gio Ponti and produced by Poltrona Frau, this stamped and authenticated 2011 model represents one of Ponti's most iconic contributions to modern furniture design: a piece that brilliantly combines lightness, comfort and sculptural purity.The Dezza series was conceived as an exploration of refined proportions and innovative construction. This sofa reflects Ponti's signature approach: sloping arms, tapered legs and a visually airy structure that contrasts with the luxurious softness of the leather upholstery. The generously padded, elegantly structured cushions offer exceptional comfort without compromising the sleek, architectural silhouette. Thesavoir-faire of Poltrona Frau further
