14ct White Gold Ring With Faceted Amethyst & Diamonds

1 035 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

This piece offers a wonderful balance between classic and modern design. The amethyst catches the light beautifully, and the diamonds add just the right touch of sparkle without being overpowering. This is an ideal ring if you love color but still want something sophisticated and easy to wear. Total diamond weight: 0.05 ctDiamond color: H Diamond clarity: I1 Ring width: 2.15 mm Head width: 13 mm Head length: 19.15 mm Total weight: 5 g Ring size: N TSMS10384
