Description

Shop window with frame resting on an oak structure with copper and brass uprights. Wide opening door glassed in front on its three faces and its top, the bottom entirely lined with a mirror. Interior fittings consist of two glass shelves supported by chromed metal brackets. Shelves adjustable in height by lateral racks. Oak stepped base opening by a plinth drawer. The drawer is fitted with a mechanical safety system that locks when the door is closed. Very good overall condition. Please note that a piece of the plinth is missing on the side over 13cm x 7cm. This showcase has its original lock, key and electrification composed of small neon lights (4 on each side + 2 top of door). Signed on a plate: ETABLISSEMENT WEGMOTel V 1268
