

Pair Of 18th-century Bronze Sconces With Crowned C

1 000 EUR

Period : 18th century

Condition : Très bon état

Width : 7,5cm

Height : 29cm

Depth : 17cm

Description

Pair of 18th-century Louis XIV-style ormolu sconces marked with a crowned C. The plate is decorated with valet profiles and quivers topped by a Regency shell. The S-shaped light arms are elaborately carved. The cups and binnacles are original and have not been drilled for electrification. The crowned C mark indicates a date between 1745 and 1749. Parisian work.
