Description

Give your home all the evocative power of a seascape by Alfred Vickers, master of animated maritime scenes.maritime scenes. Here, sailboats face rough seas under changing skies,in a composition full of movement, light and depth. Everydetail - from the foaming waves to the silhouettes of the boats - conveys an atmospheric realismatmospheric realism typical of 19th-century British painting. Thescene takes place off the coast of Dover,adding an emblematic geographical dimension to the work.With its pictorial qualities and intensity, this paintingpresence worthy of works admired in museums. ItIt draws the eye, captures attention and stands out as a major piece,capable of structuring a space in its own right.With its generous dimensions (95 x 63 cm
