Description

A rare suite of Monopli chairs by Italian designer Pietro Arosio. This model is distinguished by its minimalist lines and formal purity, typical of contemporary Italian design. The chrome-plated steel structure underlines the visual lightness of the whole, while the perforated sheet metal seat and back provide both comfort and modernity. A design that is both graphic and functional, perfectly suited to a contemporary interior, reception area, architect's office or elegant dining room. Description: Chromed steel frame Perforated metal seat and back Stackable model Italian production Dimensions: Height 78 cm Width 55 cm Depth 50 cm Seat 45 cm Availability: Suite of 10 chairs available Possibility of sale in lots of 4, 6, 8 or 10 pieces
