Jan Verkolje XVIIeme- Double Portrait Drawing

550 EUR

Period : 17th century
Condition : Bon état
Material : Paper
Width : 28,5 cm
Height : 37

Description

Attributed to Jan VERKOLJE (Amsterdam 1650 - Delft 1693)Double portrait in their interiors: a woman giving a letter to her husband and a couple with their son Sanguine and white gouache 37 x 28.5 cm framed - 15 x 12 and 15 x 9.5 cm each sheet (on view) Small stains, insolated Framed Double portrait probably from a notebook. Perhaps with a view to making paintings. Beautiful, intimate atmospheres. Produced during the second half of the 17th century. Shipping offered and insured in mainland France. Currently visible and recoverable on my stand at the Saint-Ouen flea market. Do not hesitate if you have any questions,
