Description

Louis Philippe mahogany and marble vanity with mirror, 19th centuryRefined 19th-century French vanity cabinet, made in the Louis Philippe taste from beautiful mahogany with warm patina.The cabinet is topped with a white marble top, originally designed for everyday toilet use, combining functionality and timeless elegance. The front features several drawers offering beautiful storage space, embellished with wooden knobs and sober keyways, in keeping with the style of the period.The upper section is topped by a remarkable original mirror, framed by fine scroll-carved jambs, which add height and decorative presence to the whole. The soft lines and measured ornamentation are characteristic of the Louis Philippe style, making this piece both elegant and easy to integrate into a variety of
