Description

Moorish-style inlaid Oriental side table Beautiful Oriental side table illustrating rich craftsmanship and refined decor inspired by traditional Moorish style. Made of wood, this piece is entirely adorned with a finely executed decoration of contrasting inlays in geometric and floral motifs. Each face is carefully decorated, creating a harmonious interplay of rhythms, textures and details that highlights the handcrafted quality of the whole. The octagonal top features an elegant floral composition framed by geometric friezes, while the sides are embellished with openwork lattice panels, adding depth and visual lightness. The sculpted base with arched cut-outs further enhances its architectural and ornamental character. Both decorative and functional, this table will work perfectly as an occasional table,
