Description

COD 11559 Italian painting from the second half of the 19th century. A large, striking oil on canvas artwork depicting an interior scene, a mother with children, the artwork is exquisitely painted. The painting is adorned with a fabulous contemporary Napoleon III-era frame, richly carved, gilded, and lacquered. The painting is characterized by numerous details, notably the stunning woven wooden basket filled with fruit (see photo).Pets enrich the scene: a cat in one corner, a small dog with a red bow eagerly awaits the child's food (see photo), and chickens and chicks below. The young mother, the protagonist of the painting due to her role and elegance, gazes toward the viewer.The youngest child, at his mother's feet, plays with a pomegranate. At the bottom of the floor, between the dog and the
