Description

Refined and unique large marble crucifix, carved and decorated with semi-precious stones and glass paste with the "a commesso fiorentino" technique. The piece features a trapezoidal base and a base with turned columns at the corners and Gothic-style pinnacles. The finely carved cross features Christ at the center and the four Evangelists at the corners, cast in lost-wax bronze. The uniqueness and refinement of this piece is enhanced by the semi-precious stones and glass paste "a commesso" decoration, which, with their alternating colors, further enhances its value. This is a crucifix of great taste and elegance, capable of adding a touch of class and antiquity to any space. Florentine manufacture, mid-19th century. Dimensions: H x W x D 129 x 56 x 20cm
